

Unionville Fourth-of-July Parade Guidelines

The Unionville Lions Club welcomes all parade participants and asks that you adhere to the following guidelines. They have been developed in the interest of safety for all participants and viewers. We would not want this celebration marred by an unfortunate accident. Thank you in advance for cooperating with the Unionville Lions Club to make this a great PARADE!

1. Bicycle riders must be 10 years old of age to ride in the parade without an adult.
2. Four-wheelers are limited to licensed vehicle drivers operators only.
3. Four-wheelers and bicycles are required to stay in line on the parade line-up field and to remain in position throughout the parade routes.
4. Participants planning to off-load horses need to arrive by 12 noon, one hour before the parade begins.
5. All parade entries should enter the line-up field by way on Sikes Mill Road.
6. No water balloons in parade.

We greatly appreciate your cooperation and understanding.
